A Message from The Manager and Staff

Welcome back to Pre School after the Summer holiday.
We also welcome some new children and their families to Pre School - Rufus, Grace, Noah S, Zack and Noah R.
This term, we are planting our exciting new outside area with bulbs and shrubs.

We have also started work on an insect area in the garden. We are hoping to attract lots of interesting insects for the children to investigate. We have used a variety of wood and branches, all of which the children collected on our recent walks around the field.

Bossingham Pre School Committee News

The committee is responsible for the 'behind the scenes' running of the school and all its fundraising activities.

Following the recent AGM, a number of new members joined our Pre School Committee. We are pleased to welcome Cherrie, Donna, Sarah, Chris, Fleur and Julian to the team.

We meet at 7.30pm on the first Tuesday of each month at The Hop Pocket Pub in Bossingham

If you would be interested in joining us too, we would be delighted to hear from you. You can come to as many or as few meetings as you can manage throughout the year. We always appreciate new fundraising ideas and help with events.

It's a great way to meet other parents at the same time as giving valuable support to our Pre School.
